

## Spec Registration Form

Please send a copy of the fixture schedule and completed registration form to [info@opusled.com](mailto:info@opusled.com). All information must be accurate and complete to qualify for specification credit.

Specification credit will be allowed only if specification report is received by Opus prior to shipment. Please keep a copy of this form for your records

If you need additional help or information please contact us directly at [info@opusled.com](mailto:info@opusled.com) or 267-813-6787.
